

CAR CARE BECAUSE WE CARE

Sponsored by the Air Force Aid Society, the “Car Care Because We Care” program is designed to keep a family’s primary vehicle safely maintained during the military member’s over 30 day absence.

A one-time voucher (to be used at the Dyess Auto Skills Center) is provided during each deployment, remote, and TDYs over 30 days for the family’s primary vehicle.

Contact your Airman & Family Readiness Center at (325) 696-5999 for more information.
