The Basic Needs Network is a coalition of faith-based and community-based organizations working together to serve others in meeting the basic needs of life. While the individual organizations have differing criteria for whom and how they help, the Network joins the organizations together to facilitate helping more people, more effectively. Access to the Network is enhanced with the ease of dialing 2-1-1. If 2-1-1 is not available on your phone, please dial (325) 673-8211.

TRIAD Fund assistance is an enhanced service of 2-1-1 Texas A Call for Help and only available Monday-Friday, 8 AM to 5 PM. When dialing 2-1-1, please select your language and then select 1 for local services.
